

Collision Repair and Refinishing: A Foundation Course for Technicians

This new book covers all the necessary tasks for gaining knowledge of collision repair and refinishing as outlined by NATEF. In-depth coverage includes structural and non-structural analysis and damage repair, welding, painting and refinishing, paint chemistry, sacrificial coatings for corrosion resistance, and more.

The logical progression of topics and easy-to-understand style help convey the professional knowledge and technical know-how that readers need to employ on the job.
