

Akimbo and the Lions

Ten-year-old Akimbo lives on a game preserve in Africa. His father is the head ranger, and Akimbo is eager to help him whenever he can—even if it means getting into some pretty dangerous situations. In *Akimbo and the Lions*, Akimbo helps his father set a trap for a lioness that has been attacking cattle on nearby farms. But when the lion they catch turns out to be a cub, Akimbo must find a way to care for the young lion until it's old enough to be released in the wild.

In the end, they don't catch a lion, but a lion cub, which Akimbo begs. This book is part of a series of books with the main character of Akimbo. Alexander McCall Smith, best-selling author of the celebrated No. 1 Ladies Detective Agency series, connects with an entirely new audience with his beginning *About Akimbo and the Lions*.
