

Self Promotion for Writers: Its Greek to Me!

My first year as a self-published author saw very few sales. After attending a writers conference in June of 2013 called UtopYA Con, my sales instantly increased to 10-15 ebooks a day. As I systematically applied information I learned from attending conferences, reading marketing advice online, and, mostly, trial and error, I began to sell 30-50 ebooks a day and have doubled my teaching salary. In this book, I share everything I've learned and how I intend to climb to the next level.
