

Confessions Of A Heretic: The Sacred And The Profane: Behemoth And Beyond

Rebellion is a part of youth. Sometimes its dangerous. Instead of a sword, I hold a guitar in my hands. Im in the same, rigid world but instead of Molotov cocktails, Ive got a computer. Its a much more powerful weapon. Confessions Of A Heretic is the forthright and erudite memoir of the front man and driving force behind the Polish heavy-metal group Behemoth, currently at the top of their game following the release of their 2014 US Top 40 album The Satanist. Presented as a series of interrogations by friends and associates, the book reveals a complex man of great contrast a health-conscious, highly personable intellectual known for his extreme views and even more extreme musiclifting the lid on everything from his clashes with the Polish Catholic church to appearing as a judge on the Polish edition of The Voice to his recent battle with leukaemia.
