**** The judges of the Purple Dragonfly Book Awards contest, which recognizes excellence in childrens literature, have spoken, and Goodnight, Campsite by Loretta Sponsler, won 1st Place in the Outdoor Recreation category. **** Children love books, almost as much as they love camping! Goodnight, Campsite, is the perfect place for young readers to start a great outdoor adventure and discover camping options along the way options from tents to various recreational vehicles (RVs). Goodnight, Campsite is set in a beautiful nature park, and the story follow visitors as they explore the park during the day (hiking, biking, fishing, etc.), and then returns with them to their campsite at night. There is an emphasis on RVs, which sets this title apart from the many tent camping books on the market. Preschool-aged children will love the beautiful and colorful pictures and searching for the squirrel hiding in the pictures. Rhyming text will keep children engaged, as they build sound associations and phonemic skills. Also included in the book is a Campsite Bingo game!
