

# Monkey and the Little One

Monkey lives all alone in the jungle and he likes it that way. Then Little One, an adorable mouse, appears and turns Monkey's life upside down. Wherever Monkey looks, whatever Monkey does, Little One is there and doing it too! But when Monkey finally succeeds in sending Little One away, he feels ... lonely! Can he win back his friend? With Claire Alexander's softly hued, tropical artwork and her sibling-friendly message, *Monkey and the Little One* tenderly teaches children the value of friendship.

Lyrics. Here we go! There were ten in the bed and the little one said, Roll over, roll over. So they all rolled over and one fell out. Nine!
