

Land for Love and Money (Vol. 1): True Stories, expert advice- farm, ranch, recreational and residential large and small. Told from the ground up.

Instructional, humorous, and intriguing anecdotes on land and real estate purchase, sale, conservation and management. Chilling warnings of International, Federal, State and local grabs for your real estate and property rights; Agenda 21, Smart-Growth, Regionalism, the EPA and FDIC--not the friends of land and real estate owners. This is an absolutely unique, highly controversial digest of secrets shared by an expert with a forty-two year, 1.5 billion dollar plus career in land. You will laugh, you will frown and you will shake your head in disbelief. These real-life stories, about successes and failures, are packed with essential truths and valuable instruction. Spiritual and financial lessons gleaned from all facets of land, and land-based real estate transactions, regardless of size, use, or location--from one-third of an acre to thousands. Today's uncertain climate and unstable economic times make these professional secrets invaluable--purchase, sale, value, tax benefit, banking systems, and even the darker facets of federal and state attempts at control--everything is covered here--affording you the opportunity to use the tempest to your advantage. Are you an owner of land or real estate of any size, type or location? A wanna-be owner searching for an inflation safeguard? A haven? Lifestyle change? Security? Nostalgic for the rural roots of your youth? Tax Advantage? Spiritual connection? Family legacy? Forced to sell? These volumes will instruct, entertain, and open your eyes to the joys, and the dangers. The book studies many previously taboo, or ignored subjects you need to know--all critical to your enjoyment of, and profit from, your land and real estate: -Agenda 21--The global grab for all private property rights -Mammoth guaranteed real estate profits to banks--all from YOUR pocket and your real estate values -Why your banker says no--whats really happening

behind the vault doors -This aint your mamas appraisal--the rules have changed
 -When its time for the seller to sign the dotted line--forget price--lets talk net
 -Looking under the rocks--due diligence and the PPPPP Rule can save a wreck -The
 government is not here to help you--and it might be on purpose -Buying and selling
 smart--the silver lining in an age of upheaval -Conservation Easements--get
 paid to do the right thing--but be careful! Based on the experience and insider
 knowledge of a fourth-generation land and cattleman, realtor and #1 bestselling,
 multiple award winning author, Reid Lance Rosenthals career spans multiple states,
 three countries and two continents. Reids first non-fiction work is drawn from over
 five thousand transactions and laced with true anecdotes of the good, bad and ugly
 with no-holds-barred, real time, hard-hitting facts--and must know
 warnings--critical to your heart, your wallet and the future of your property rights.
 Land for Love and Money tells all--the good, bad and ugly--of land and land
 related residential and other improvements and operations. Balm for your heart,
 enhancement of your wallet, protection of your future, land and real estate--the
 foundations of freedom--for soul, for security, for you.
