

Looking for God in Harry Potter

Millions of children, even Christian children, are reading the mega-selling Harry Potter book series and are exposed to the Harry Potter movies. John Granger, a devout Christian, teacher of classic literature, and father of seven children, first read the Harry Potter books so he could explain to his children why they weren't allowed to read them. After intense study, however, he became convinced that the books are underestimated as literature--and reflect important Christian truths. In *Looking for God in Harry Potter*, Granger gives parents and teachers a roadmap for using the Harry Potter books to teach Christian truth to children.
