

My Humongous Hamster

Whether taking a spin on the Ferris wheel, stopping a burglary in progress, napping at the foot of a mountain, or gazing longingly off into a sunset, Humongous Hamster is a hero every kid will adore. He eats trees like broccoli, gives kids a ride to the park, and scares the neighbors cat. He is so silly that hes completely irresistible. In the end, though, he misses his human friend. So he will return to normal hamster size ... until the next time hes humongously hungry!
