

One Wonderful Fine Day for a Sculpin Named Sam

Sam, the colourful sculpin, is different. And on one warm summer day, he swims through an underwater community teeming with lively fish of all shapes and sizes. But Sam doesn't look like anyone else. He feels lonely. Until he finds Sara, his perfect match, in a world where everyone is different in their own way. Al Pittman's classic story, vibrantly illustrated by Shawn O'Hagan, is a perennial favourite. Breakwater Books is proud to make One Wonderful Fine Day for a Sculpin Named Sam available in a new edition for a whole new generation of readers.
