

Five Little Ducks

Little ones will learn to count from 1 to 5 in this cute concept book complete with sliding tabs to move back and forth! Five little ducks went swimming one day, over the hill and far away. But the little ducks keep swimming off one by one! Dilly goes off to play with Frog, Danny wants to leap with lamb, Dolly visits Calf in the cowshed, Davey nibbles corn with Hen and her chicks, and Daisy dives in the reeds to play with Bunny. But that leaves Mommy Duck sad and lonely, so her five little ducks all come back! There are five tabs, and each tab is embossed and illustrated with a baby duck. Kids will love sliding them back and forth to have them swim away to their friends and then back to their Mom in this fantastic first counting book!
