

The Berenstain Bears and the Great Ant Attack

Head for the hills! The ants are coming! Ferdie and Actual Factuals ant-breeding experiment backfires and Bear Country is overrun by a rapidly multiplying colony of nasty hybrid ants who will eat anything in very large mouthfuls! Beartown is in a panic, and Mayor Honey-pot authorizes Actual Factual to hire Buggy X Terminator, the local bug bear, to destroy the ants. Who would have thought, muses Actual Factual, that the very existence of Bear Country would be endangered by an ant? Or, as Ferdie aptly puts it, an uncle. Uncle Factual, that is.
