

# The Complete Book of Farts

From the publisher of the bestselling Gross series comes our grossest book yet! flatulence (flach-u-lens) n. Female: an embarrassing by-product of digestion Male: an endless source of entertainment, self-expression, and male bonding Since the dawn of time, farting has been with us in all its rich and varied guises. Every nation in the world has developed its own ripe and extensive vocabulary to express the function of farting. Qui a pete? (Whos farted?) the French would ask, while the Chinese have to Fon Pei Ha, the Germans furzen, and the Swedes to fisa. Farting is a universal fascination, and every generation of boys and young men seem to revel in all things farting. For everyone fascinated with farts (and you know who you are!) comes The Complete Book of Farts. Filled with hilarious, real-life experiences and stories (and a lot of nitrogen, oxygen, carbon dioxide, hydrogen, and methane), this is the perfect companion for all those who fart, and those who dont (or wont admit it). Now, in a single volume, readers will discover: historys greatest farters; recipes for fantastic farts; farting etiquette; farting vocabulary for world travelers; funniest farting jokes, limericks, and quips; true farting confessions; and much more! No other book on farting gives us as much information and hilarity as this years best gift for every boy (of all ages!) in your life. While there might be other farting-book imitators, only The Complete Book of Farts is the ultimate guide to all things gaseous!

I have a science-minded first grader, and this book -- casual science though it is -- was a complete delight for him and his father.
