

Eminem: The Real Slim Shady (Hip Hop in America)

More than a decade after Eminem (aka Marshall Mathers, aka Slim Shady) disrupted mainstream hip-hop culture, he is even more hated, contested, and celebrated. His albums, autobiographies, and motion picture catapulted him into the upper echelon of American cultural icons. In *Eminem: The Real Slim Shady*, Dr. Marcia Alesan Dawkins, acclaimed author of *Clearly Invisible: Racial Passing and the Color of Cultural Identity*, offers a fresh way of looking at Eminem -- as performer, father, son, spiritual force, cultural critic, innovative businessman and polyethnic American -- that will excite those who already love the artist and inform those who want to understand him.

Eminem. *The Real Slim Shady*. by Marcia Alesan Dawkins. Eminem born as one of the top 100 Greatest Artists of All Time and as The King of Hip Hop.
