

Helicopters (Amazing Vehicles Set 2)

Put readers in the pilots seat of a helicopter! With vibrant graphics, action-packed photographs, and engaging text, this book will get readers excited about the fast, thrilling world of helicopters. Readers will learn how helicopters are used for transport, rescue work, and military efforts. The forces that make a helicopter fly lift, gravity, thrust, and drag are also described. A comprehensive diagram displays the main parts of a helicopter. Simple, straightforward text breaks down complicated engine workings for readers. Also discussed are safety measures and helicopter history. Features include a table of contents, fast facts, a glossary with phonetic spellings, and an index. Big Buddy Books is an imprint of ABDO Publishing Company.
